

# Speaker Bio – Trauma-Informed Care in the Primary Care Setting

## COLIN A. ROSS

*M.D.*

Colin A. Ross, M.D completed medical school at the University of Alberta and his psychiatry training at the University of Manitoba in Canada. He is a Past President of the International Society for the Study of Trauma and Dissociation, and is the author of over 250 papers and 35 books. He has spoken widely throughout North America and Europe, and in China, Malaysia, Australia and New Zealand. He has been a keynote speaker at many different conferences, and has reviewed for over 30 different professional journals.

Dr. Ross has been running a hospital Trauma Program in the Dallas area since moving to Texas in 1991.

Dr. Ross' books cover a wide range of topics. His clinical books focus on trauma and dissociation and include: *Dissociative Identity Disorder. Diagnosis, Clinical Features and Treatment of Multiple Personality, Second Edition (1997)*; *Schizophrenia: Innovations in Diagnosis and Treatment (2004)*; *The Trauma Model: A Solution to the Problem of Comorbidity in Psychiatry (2007)*; *Trauma Model Therapy: A Treatment Approach for Trauma Dissociation and Complex Comorbidity (2009)*; *Structural Dissociation: A Proposed Modification of the Theory (2013)*; *Treatment of Dissociative Identity Disorder: Techniques and Strategies for Stabilization (2018)*; and *The Genetics of Schizophrenia (2020)*.

Dr. Ross has published a series of treatment outcome studies in peer-reviewed journals, which provide evidence for the effectiveness of Trauma Model Therapy. Many of his papers involve large series of cases, with original research data and statistical analyses, including a paper entitled 'Trauma and Dissociation in China' in the *American Journal of Psychiatry*.

Besides his clinical psychiatry interests, Dr. Ross has published papers and books on cancer and human energy fields, as well as literary works including essays, fiction, poetry and screenplays. He has several different hobbies including travel.
